ADOPTER'S QUESTIONNAIRE

How do you feel about sterilisation, regular vaccines, deworming and flea/tick prevention?

What is your schedule during the day — how long will the puppy be home alone?

Where will the puppy sleep at night, and stay when no one is home?

Any vacation plans coming up?

When you do travel, where will the puppy be if she's not travelling with you? What would you do for pet-sitting or boarding?

If your housing, work, or family situation changes in the future, what would that mean for your dog?

Thank you for taking the time to complete this questionnaire — it helps us match our puppies with the right families.
