AS THE ADOPTER I AGREE TO THE FOLLOWING PROVISIONS:

1. I agree to keep an identification tag attached to a properly fitted collar which will remain on the adopted animal at all times, whether inside or outside of the house, and to obtain all of the necessary city licenses required by local authorities including microchipping.

2. I agree to have the dog sterilized at the appropriate age as advised by my veterinary surgeon and to provide proof of sterilization to the carer on request.

3. I agree to provide the adopted dog with necessary vaccinations at the intervals advised by my veterinary surgeon.

4. I agree to have the adopted dog under my control when it is not on the confines of my property. The adopted dog will not be tied or chained.

5. If for any reason I cannot keep the adopted dog, I agree to notify the Foster Carer (name and address above), of the availability of the dog and to return the adopted dog upon request. The dog shall not be sold on or used for purposes other than as a family pet.

6. I agree to properly care for the dog, provide adequate food, water, training and sufficient exercise for optimum health. I also agree to consult with my veterinary surgeon in the case of sickness, injury or accident and carry out all necessary treatments.

7. I agree not to abuse or neglect the adopted dog.

8. I understand that the puppy covered by these adoption papers is, as far as can be determined by the Foster Carer, in good health and that the Foster Carer is not responsible for any medical fees incurred after the adoption date.

9. With effect from the date and time of signature of this adoption agreement, the Adopter accepts and assumes full and sole responsibility for the care, custody, control, supervision and welfare of the dog, including any related liability that might arise, whether or not the microchip/SIAC registration has, at that time, been transferred into the Adopter's name.

10. I understand that any failure to perform the foregoing agreement will constitute a breach of contract. In the event of any such breach of contract, I authorize the Foster Carer to reclaim both possession and ownership of the adopted dog.

11. The Adopter cannot euthanize the dog without contacting the rescue/individual. Only in an emergency situation can the adopted dog be put to sleep and a vet deems it necessary to end a dog's suffering.

12. I agree to give the Foster Carer an update on how the adopted puppy is doing over the two weeks following this adoption.

13. I understand a €90 adoption donation is requested.
